

NCCTM INNOVATOR AWARD

Nomination Form

The North Carolina Council of Teachers of Mathematics accepts nominations for the Innovator Award at any time. The purpose of this award is to recognize and reward individuals or groups who have made an outstanding and noteworthy contribution to mathematics education and/or NCCTM by having founded, initiated, pioneered, or developed some program in mathematics education of service to a geographic region of the state or the entire state. Further, this program must have been sustained for a period of at least three years. Any NCCTM member may submit nominations using the form below. If additional space is needed, a letter may be attached to the form. Nominations will be retained in the active file for at least three years.

Name of Nominee: _____

Present Position: _____

Outstanding contributions to mathematics education in North Carolina which serve as the basis for this nomination:

Additional information that would be of value to the selection committee:
