

NCCTM Trust Fund Scholarship

North Carolina Council of Teachers of Mathematics

\$1000 scholarships are available from NCCTM to financially support North Carolina teachers who are enrolled in graduate degree programs or graduate add-on mathematics certification programs to enhance mathematics instruction.

Applicants must be:

- Currently employed as a pre-K-12 teacher in North Carolina;
- Currently an NCCTM member (for at least one year) at the time of submitting this application;
- Enrolled in an accredited graduate degree or graduate add-on mathematics certification program in North Carolina at the time of course completion;
- Seeking support for a mathematics or mathematics education course completed within the six months prior to the application deadline.

Applications will be reviewed bi-annually and must be postmarked by:

- **March 1 for courses completed in the previous Fall term**
- **October 1 for courses completed in the previous Spring or Summer term**

(Please print all information.)
