MATH LOGO CONTEST

The Celebrate Mathematics Committee will once again sponsor a Math Logo Contest. The winning logo will be the mathematics logo for NCCTM for the 2007-2008 school year. This logo will be used on a poster to promote interest in mathematics and as the basic design for NCCTM's 2007 T-shirt.

Please be aware that a professional graphic artist will prepare the final art of the winning entry for printing. Though the illustration is an important part of the logo, entries are judged on idea or concept conveyed. Use of copyrighted work (clip art, cartoon characters, etc.) will automatically disqualify the entry. The words of the slogan should not be on top of or touch the design.
